

## GRACE

After 23 years of working in Toronto Grace is both honored and excited to have joined the Yellow Orange Salon and Spa team. Grace's past experience has taught her to always continue her education and follow her passion as a stylist.

One of the most exciting times in her career was competing in the L'Oréal color trophy and the UPDO competition at the ABA. Since coming to the Yellow Orange she has been involved with L'Oréal fashion week Toronto. Including such shows as Hibebe and Gene Simmons clothing line; Gene was very impressed with her work.

"I look forward to seeing you in my chair to give me the chance to tailor your look", Grace.
